

# COVIDSafe Plan – Port Stephens Koala Sanctuary

Updated – 18 September 2020

The Australian Government Framework for a COVID Safe Australia has been implemented and the NSW Government have issued a Public Health Order – 14<sup>th</sup> May 2020 that defines the restrictions in place. A COVIDSafe Plan template has been developed and in line with the 3 Step Framework and the National COVID 19 Safe Workplace Principles.

This template will help you develop a plan for how you will keep your workplace/facility safe during the COVID-19 pandemic. Completing this plan will help you develop control measures to manage the risk of COVID-19.

To keep workers, colleagues and community members safe and limit the spread of COVID-19, every manager and committee should do the following at their workplace/facility:

- allow workers to work from home, where possible and applicable
- ensure physical distancing by keeping a distance of at least 1.5 meters between people outdoors and 4 square meters indoors
- encourage all workers to frequently wash their hands for at least 20 seconds with soap and water or by using an alcohol-based hand sanitiser and to practice good hygiene
- be aware of how to spot COVID-19 symptoms (fever, cough, sore throat and shortness of breath) and make sure they stay home if they are unwell
- make sure your workplace/facility is regularly cleaned and disinfected
- have signs and posters around to remind others of the risks of COVID-19 and the measures that are necessary to stop its spread

Consult with your workers and colleagues and community groups as you develop this plan, and communicate the final plan with them. Review your plan regularly and make changes as necessary.

<b>ASSESS THE RISK</b>	This COVIDSafe Plan describes how Port Stephens Koala Sanctuary will identify, mitigate and monitor COVID-19 requirements for our workplace and the actions we will put in place to keep our customers and staff safe.	
COVID-19 Safe Operating Procedures in place for identified risks associated with visiting the Port Stephens Koala Sanctuary based on the NSW Government's COVID-19 Safety Plans by industry "Zoos, reptile parks and aquariums" – effective 1 July 2020	<p>This Plan is limited to the physical operation of the Koala Sanctuary facilities, such as roofed accommodation, reception areas, amenities and toilets, BBQ areas, and other communal areas.</p> <ul style="list-style-type: none"> <li>• Cleaning &amp; Hygiene - Safe Operating Procedure (SOP) - <i>Infection and Cross Contamination Control</i> - Link here</li> <li>• Holiday Parks Physical Social Distancing – SWMS – Link here</li> <li>• Holiday Parks Contactless Check-in – SWMS - Link here</li> <li>• Record Keeping (Non mandatory) – Link here</li> </ul>	Port Stephens Koala Sanctuary Management / Grounds Teams to implement, manage & monitor compliance

# COVIDSafe Plan – Port Stephens Koala Sanctuary

Updated – 18 September 2020

An assessment has been undertaken by the Port Stephens Koala Sanctuary team.

Information on how to create and maintain a safe environment for our staff and our customers at the Port Stephens Koala Sanctuary was determined using the NSW Government’s COVID-19 Safety Plan, “Zoos, reptile parks and aquariums” - *effective 1 July 2020*.

A link to the relevant website at time of issuing of this plan is below:

Updated – 18 September 2020

- Maintain good personal hand hygiene by washing their hands regularly and thoroughly and/or using hand sanitizer
- Maintain good respiratory hygiene by coughing or sneezing into their elbow or a tissue and then disposing of tissue immediately
- Provide Port Stephens Koala Sanctuary with their name and contact details and consent to Port Stephens Koala Sanctuary providing their name and contact details to the NSW Department or any other third-party government department, as required to enable contact tracing procedures
- Acknowledge that they may be asked to wait, or be refused entry in the event that the site has reached its total capacity under NSW Health social distancing requirements
- Respond accurately to the following questions if asked by staff
- Are you or anyone you live with currently undergoing or awaiting results for the COVID-19?
- Have you or anyone you live with tested positive for the COVID-19 virus and have not been medically cleared as non-contagious?
- Do you have any flu-like symptoms (sore throat, runny nose, persistent cough, shortness of breath, fever)?
- Acknowledge the right of Port Stephens Koala Sanctuary to refuse entry or request their departure from our site at any time and for any reason
- At all times, treat staff and other visitors with respect

Monitor symptoms

Signs listing the symptoms of COVID-19 are displayed at the front entrance of Port Stephens Koala Sanctuary.

Staff must stay home if they are sick, and if they are displaying symptoms of COVID-19 ask them to seek medical advice/ call the National Coronavirus hotline (1800 020 080).

Staff have been instructed to inform managers if they are displaying symptoms of COVID-19, have been in close contact with a person who has COVID-19 or have been tested for COVID-19.

Staff have been reminded of their leave entitlements if they are sick or required to self-quarantine (as per the COVID-19 Scenarios issues by Port Stephens Council).

# COVIDSafe Plan – Port Stephens Koala Sanctuary

Updated – 18 September 2020

Communal facilities must be kept clean and hygienic. Frequently touched surfaces, such as kitchens, bathrooms, door handles and light switches will be routinely cleaned to reduce contamination

Records of cleaning activities must be kept

All roofed accommodation will be thoroughly cleaned between change-over of guests in accordance with [environmental-cleaning](#) and records of cleaning must be kept

If COVID-19 is confirmed in the Port Stephens Koala Sanctuary

- Amenities will be cleaned once daily with detergent, bleach and water. To be recorded on Cleaning Activity Schedule
- Staff facilities will be cleaned once daily with detergent, bleach and water. To be recorded on Cleaning Activity Schedule
- All frequently used areas in all communal areas will be sanitised regularly during hours of operation
- All cleans to be recorded on Cleaning Activity Schedule

- Rooms/ tents to be cleaned after every stay
- Pre-Arrival checks to include every surface alcohol wiped down
- Housekeeping reports will be filed daily for records

- Contact made with Local Public Health Unit Tel: 13 77 88 (24 hours, 7 days a week)
- Follow NSW Health COVID-19 Guidelines at <https://www.nsw.gov.au/covid-19>
- Refer to Cleaning & Hygiene - Safe Operating Procedure (SOP) - *Infection and Cross Contamination Control*

- Staff have been trained to use other ways to limit the spread of germs, including by not touching their face, sneezing into their elbow, and staying home if feeling sick.
- All staff will limit contact with others – no shaking hands or touching objects unless necessary.
- Reception staff will clean frequently touched areas and surfaces several times a day with approved alcohol/cleaning chemicals/wipes.
- This includes Eftpos equipment, front desk, gate closures, tables, counter tops, door knobs, sinks, pens, phones and keyboards.

Visitors who purchase tickets at the gate will be required to register using the CovidPass QR Code displayed at the Sanctuary entrance.

Before entering visitors must open their phone camera, place the camera in front of the CovidPass QR Code and follow the prompts. This service is powered by [www.covidpass.com.au](http://www.covidpass.com.au)

When you sign-in with CovidPass™ the data is instantly transferred straight to Port Stephens Koala Sanctuary's CovidPass™ Portal. This information will be provided to relevant Authorities when requested.

CovidPass™ is 100% independently Australian owned & operated. Created by Australians for Australians to help contain the spread and open business safely.

The Port Stephens Koala Sanctuary's online booking and registration process will mean we can support contact tracing and notify guests, staff or contractors quickly.

Staff have been instructed not to come into work and receive a COVID-19 test when experiencing any cold/flu symptoms and will not return until test results have come back negative.

Further information about Covid-19 symptoms and advice can be found [here at NSW Health >](#)
